See the line of the orange sky in the middle of the screen, there is no line, because it's not real, it's just a video screen. Ok, let's begin. You are a new agent in this sex-agency. That day, you are working with Mr.White's "family", the family is just like a . The director of this movie, Mr. White, he's special man, so when he created the game with his own will, everyone thought that his game was a new thing, no one thought that there was another game like this. In this game, you are a new agent in this sex-agency, your job is to join his "family" and become his personal agent, and this is your start. Your game starts in the lobby of the sex-agency. Here is your personal agent ID card, you will need this card to identify yourself at the beginning. This is a dildo, you will need this during your mission. Look, there are many agents, so you need to make friends. In this game, it's simple, you will not have problems. When you enter the game, you will be assigned your duty, that's your first task. You will never be assigned the same duty again. You must be determined to succeed, for this job, you must be very determined. You will get there later, so you just need to make friends with other agents. There is a manager, who can help you in this sex-agency, he will guide you in the beginning. In this game, there is no close ups, no time wasting, just real-time sex, I think that this is the first game like this. The game started. There is nothing happening, but there are lot of agents. If you don't do anything now, you will get into trouble later. If you look at me, then you look at me, I know what you are thinking, there is nothing special in the game, I will tell you. This game will show you real-time sex, you are not playing it in the first, second and third, this is real-time sex, you can see the blood flow, you can see the climax, you can see the ejaculation, so you will understand what the player really wants.
